PRODUCT OFFER.**

COMPATIBILITY

Compatible with all types of excavators, backhoes, concrete pumps, mounted loaders, boom trucks, and telescopic loaders.

Pair your LIMIT-PRO with GUIDE-PRO - our 2D digging system for excavators.

ON SCREEN FEATURES

- 1** Main boom angle displayed. See the limit displayed in pale.
- 2** Simple button to choose machine limits.
- 3** The ground image rotates so that what you see on the screen is in the same direction as what you see in front of you.
- 4** Display of multiple boundary zones. Use the system near roads and buildings, as well as when working under cables or inside buildings.

MULTI-AXIS MACHINE CAPABILITY

Use LIMIT-PRO with telehandlers and concrete pumps.

RUGGED DISPLAY

Designed for real-world usage.

BOOM HEIGHT & CAB SWING LIMIT INDICATOR

LIMIT-PRO will be your extra bit of safety and awareness.

ACCIDENT AVOIDANCE

Preventing property damage, downtime and injuries. Eliminate costly accidents.

ABS-LIKE PREVENTION SYSTEM ON ROTATION

The system slows down the machine's movement as you approach the established danger zone.
